“For God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life.” John 3:16

Dear Friends in Christ,

As we begin the final steps of Jesus’ journey to the cross on Palm Sunday, we recognize God’s ultimate love for us. On this particular Sunday, we hear the shouts of joy as our Lord rides on a donkey in majesty!

These last couple of years have certainly been a journey, and we have all felt its impact. Yet, for people of faith, the one constant is our relationship with Jesus Christ. Not only do we worship together, pray together, and deepen our faith together, but we at Christ Church exercise our faith through our various ministries.

Before the Lord’s entrance into the Holy City of Jerusalem, Jesus had concluded much of his earthly ministry. His time spent with his disciples consisted of acts of miracles, warm embraces and generosity as he healed the sick, cared for the poor, and bound the broken-hearted. We at Christ Church seek to model this love.

As we do the work of the church, I want to acknowledge that we have been blessed by your generosity, your financial contributions to the operation of the parish, and your time spent serving others.

I want you to know that you are loved here at Christ Church. If you have not been worshiping with us lately, please know that you are missed! I know that circumstances affect us all. We can get out of the habit of coming to worship, or our health does not allow us to be in one another's company. But this does not change our prayers for you and your family and our thanksgiving for your endeavours.

The love that Jesus shared with his friends only grew when he died on Good Friday. That love grew as the light of God's passion shone on Easter morning. Easter teaches us that through Christ, life is timeless and that love never dies. As you celebrate Easter this year, may you feel God's love and light as you welcome new beginnings at this holy time.

May God continue to bless you as you celebrate the Resurrection of our Lord Jesus Christ!

Faithfully yours in Christ,
